

REQUIEM[®] 25EC

EPA Reg. No. 69592-22

SUPPLEMENTAL LABEL

For Use on Leafy Vegetables except Spinach

Includes uses not previously printed on the container label.
For use only in the state of Arizona.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For any requirements specific to your state or tribe, consult the state or tribal agency responsible for pesticide regulation.

Leafy Vegetables

Including Lettuce, Arugula, Celery, Parsley, Radicchio, Florence Fennel, Romaine, Swiss Chard, and other leafy vegetable crops except Spinach.

Pests and Application Rates:

Pests	REQUIEM (qts/acre)	Remarks
Aphids: • Turnip aphid • Potato aphid • Green peach aphid	2-3	Begin treatments when thresholds have been reached.
Whiteflies: • Silverleaf whitefly	2-3	Apply before pests reach damaging levels. Repeat applications as needed to maintain control. Do not wait until heavy populations have become established. Use the high rate when conditions are favorable for heavy pressure.
Leafminers (<i>Liriomyza</i> spp.)	2-4	For Suppression: Begin treatments before thresholds have been reached.

See label attached to the container for First Aid, Precautionary Statements, Restrictions and Directions for Use.

This labeling must be in the possession of the user at the time of pesticide application.
